EduShield – Child Education Insurance System

Digital platform securing children's educational future through insurance

Business Problem & Solution

Challenges Parents Face

- Unpredictable education costs
- Manual policy management
- Complex claim processing

Our Digital Solution

- Centralized platform
- Automated workflows
- Streamlined approvals

How EduShield Works

1. **Register**
   Create account
2. **Profile**
   Add child details
3. **Select**
   Choose policy
4. **Calculate**
   View premium
5. **Approve**
   Underwriter review
6. **Pay**
   Make payment
7. **Claim**
   Raise when needed
8. **Verify**
   Get approved
